"There are no refunds for sick days, vacations, or holidays. Schedule changes may be made at the beginning of each month. Special circumstances may be discussed with the director/treasurer. Tuition rates are based on four 12-week sessions, with three equal payments in each session. The monthly payment covers a 4-week segment of the session."
 (taken from the 2025-26 Schedule and Financial Agreement)

Please note that everyone who is here year round pays for 48 weeks (4x12), but has access to care for 52 weeks (see 4 free weeks). This assumes that you will take vacations through the year according to your family's schedule. If you take an extended leave (more that 4 weeks) you may discuss this with the director to make special arrangements for charges during your absence.
